***** FOR IMMEDIATE RELEASE *****

CSP CONTINUES TRADITION IN EXCELLENCE, ONCE AGAIN!

Anne Arundel County Regional Science & Engineering Fair award ceremony was held in North County High School on March 19, 2008. This annual competition is open to all Anne Arundel County and Queen Anne County public and private schools. It is with great pleasure to announce that CSP students received a total of 35 awards, which is higher than any other participating school. Last year, CSP students had received 16 awards, so this year CSP doubled that number.

CSP students won three first places, three second places, one third place, and one honorary mansion award. This is in addition to many special awards from prestigious engineering companies such as Northrop Grumman and Lockheed Martin.

CSP Awards:

Luke Andraka- Is there Fungus Among us? 1st Place-Plant Science

Gregory Bekher-Organic Fertilizer Improves Photosynthesis-1st Place-Plant Science

Andrew Natarian-Magnetic Express II-1st Place-Energy and Transportation

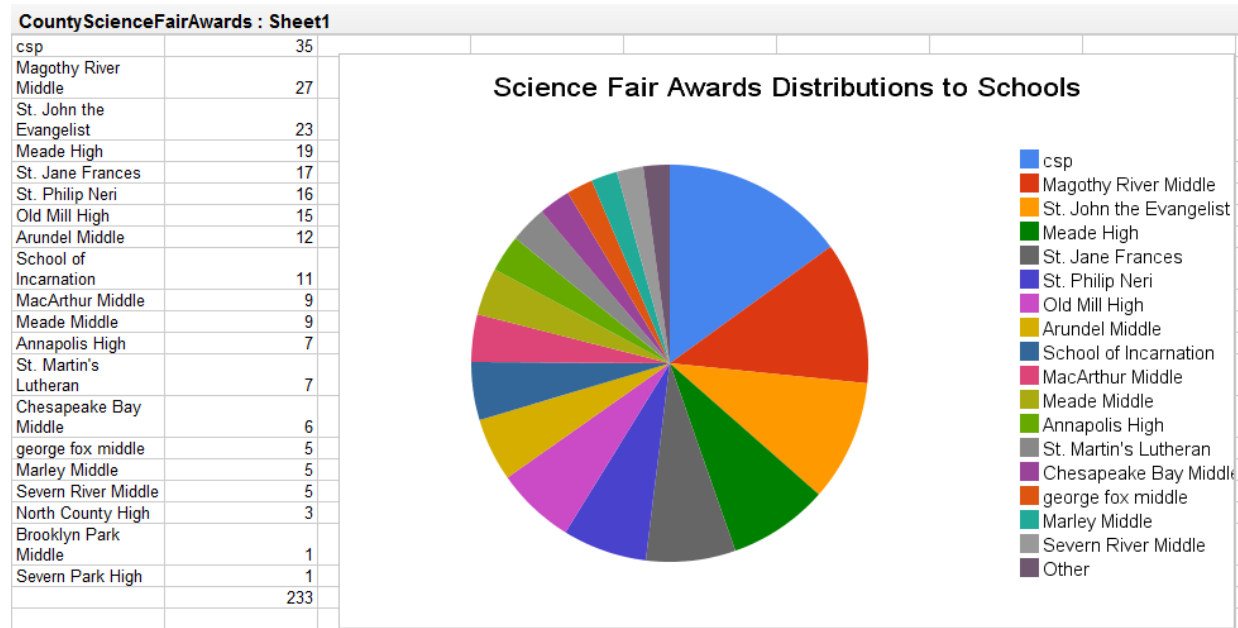

Laura Campbell-Salt Water Corrosion-2nd Place-Chemistry

Jack Andraka-Can We Stop The Drowning Machine?-2nd Place-Engineering

Tyler Ambrose-Long Lasting Levees-2nd Place-Physics & Astronomy

**Ian Essig-Grey Water vs White Water for Plant Irrigation-3rd Place-
Environmental Management
Serina Wilson-Earth Friendly Circuits-Honorary Mansion-Biochemistry**

Distribution of Awards:

For more information on this great accomplishment, please contact CSP Principal Mr. Kandil at 410-684-2883.

CHESAPEAKE SCIENCE POINT. THE POINT OF SUCCESS.
