*Chesapeake Science Point Public Charter School made it in the nation's most prestigious charter school magazine for executives.*

*Charter Schools Today, known to be the "Forbes" of charter school world published an article about CSP in their 2009 Spring edition. Charter Schools Today (CST), studies the most successful charter schools across the nation and presents their exemplary success stories.*

*This time after analyzing approximately 4,500 charter schools across the nation, CST chose to publish an article about CSP. CST dedicated three pages for science academy in their 116 page edition.*

*We knew that CSP has been watched very closely, however, we are so proud to see that the key education authorities at the national scope are also watching and recognizing us.*

*For further information please visit [www.charterschoolstoday.com](http://www.charterschoolstoday.com) and click on the cover of the digital edition and go to page 45.*
