

Dear CSP Family,

Teachers and students use the following supplies throughout the year to enhance their instruction. This year, we are asking for students (please see the specific list per last name) to bring in the following items to his/her Language Arts/ English teacher during the first week of school. Teachers will collect the items and redistribute them to all of the teachers throughout building for instructional use.

We appreciate your generosity.

We understand that some of our families are experiencing financial stress. If you are unable to purchase the classroom supplies, please let us know and we will work it out.
