September 2014

Handed out 9/15

Hello Parents of Seniors,

This year will be a busy one for you and your senior. The entire college application process will seem like a part-time job. My job is to try to make the process easier.

The first thing for all parents to do is to register on Family Connection. This website is a great tool for you and your student to use. It has information on colleges, financial aid, careers, and it will be my main method of communicating with you. I have already begun to put things on the website for your information. The website is

**<http://connection.naviance.com/chesapeake>**

If you are already registered, please log on and spend some time getting to know the website better. Your username is an email address. If you forgot your username, I can look it up. If you forgot your password, use the links for the website to send it to you. If you have not registered yet, use the enclosed access code to register. (Go to the website, and click on "I need to register.")

When you log on to Family Connection, you will be able to see what your student is up to in terms of applying to college. I will be sending you emails as early as later this week regarding the admissions process, notifying you of college visits, open houses, deadlines, etc. I look forward to working with you as the year progresses so that your student finds a suitable match for life after high school.

As always, please let me know if you have questions at [dgonzalez@aacps.org](mailto:dgonzalez@aacps.org).

*Faber est suae quisque fortunae!*

Sincerely,

A handwritten signature in blue ink that reads "Darryl J. Gonzalez".

Darryl J. Gonzalez

Director of College Counseling
