What does the NBA, August 2016, & CLF all have in common?

>>> The Annual AB3s Back2School Basketball STEM Showcase! <<<

What's better than watching a live, professional basketball game with some of your favorite NBA stars? Getting ready for school of course! No, seriously...here's an exciting opportunity for a professional basketball competition & athletic fundraising opportunity potentially featuring: Professional/Olympic Athletes & Medalists, NBA Stars/Players, Regional Celebrities, Corporate Sponsors, Giveaways, & Community Leadership.

The AB3s Annual Showcase benefits the growing athletics & established academic programs at CLF's minority-majority, public charter STEM schools throughout the State of Maryland.
