

Financial Aid

The financial aid process has changed to a starting date of October 1 using your parents' "prior-prior" financial information. For the graduating class of 2017, this means that your parents can start to fill out the FAFSA on October 1 using their tax return from 2015.

You should never pay to fill out the FAFSA. The FREE Application for Federal Student Aid can be accessed at <https://fafsa.ed.gov/>

Be sure you are using the correct website. There are plenty of organizations that will be happy to charge a fee for what you can do for free.
