

Dear Parent or Guardian,

CSP will administer the PSAT/NMSQT on Saturday, October 14, 2017 to 9th, 10th and 11th grade students. The test is optional. PSAT/NMSQT establishes a baseline for college and career readiness.

The Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) is a standardized test administered by the College Board and cosponsored by the National Merit Scholarship Corporation (NMSC) in the United States. Approximately 3.5 million students take the PSAT/NMSQT each year.

The PSAT supports all students with early feedback on the skills and knowledge that matter most for college and career success. The score reports will give students comprehensive, personalized feedback on test performance, allowing students to see which questions were answered incorrectly and which academic skills they should work to improve.

The cost of test is \$16.00 payable by cash or check made out to CSP. Please have your child return payment and the registration form to Mr. Yagar. The registration deadline is Thursday September 21, 2017.

If you have questions regarding test, please contact Mr. Yagar directly at tyagar@mycsp.org.
