Dear Chesapeake Science Point Families:

Welcome to the 2018-19 school year! I hope you enjoyed a summer vacation filled with fun and exciting memories with your loved ones. We are thrilled to welcome all of you back to a new school year of learning and growing.

Personally, I am grateful and elated to continue this journey with you as your Principal. Over the past year, I have had a chance to meet many of you and your children and look forward to continue building a strong relationship with all of you in the upcoming year. As we enter this new school year, I want to let you know that our staff will be engaging in conversations around having a "growth mindset" and "grit", both for themselves and all students. We believe that every person in this building should always be growing and learning. Despite obstacles that may arise, we must always believe in our ability to rise above challenges and come out stronger on the other end. Here at Chesapeake Science Point, "All Students Matter" and "Every Moment Counts"! We strive to challenge each student to grow in his or her academic abilities and be college and career ready upon graduation from CSP! Please join me in welcoming several new staff members to CSP! We are bringing a new initiative to CSP, Positive Behavioral Intervention Strategies, commonly referred to as "PBIS" that we believe will assist us with our mission of maintaining a culture that's inclusive, welcoming, and celebrates diversity!

Parents, please review with your child the updated school uniform policy. It can be found on the school's website. We hope that you will find our website informative and very helpful. All of the information that we send out via email can also be found on the website. We have also entered dates of all activities and events on our school calendar. I ask that you refer to this calendar and our website for all pertinent information.

I want to personally invite you to attend our **Back-to-School Nights on Thursday, September 20th from 6PM-8PM for grades 9-12 and Thursday, September 27th, from 6PM-8PM for grades 6-8!** This will be a great time to strengthen our CSP community, meet teachers and other families, and learn about the upcoming school year. We'll begin the evening promptly at 6 PM in the gymnasium and then transition to the classrooms! Our school goal is to see at least 80% of our families at this event. I hope to see each of you!

As always, please feel free to reach out with questions or concerns.

Respectfully,

Dwight L. Jefferson

Principal
