

Dear Parent or Guardian,

CSP will administer the PSAT-10 on Saturday, March 2, 2019 to 9th and 10th grade students. **The test is optional.** PSAT 10 establishes a baseline for college and career readiness. The PSAT 10 will support all students with early feedback on the skills and knowledge that matter most for college and career success. The score reports will give students comprehensive, personalized feedback on test performance, allowing students to see which questions were answered incorrectly and which academic skills should work to improve on Majors and career exploration with College Board.

The test will take two hours and 45 minutes long. There is no penalty for guessing or blank responses also known as "rights-only scoring". The test will include the following:

- Reading Test 47 passage based questions; 60 minutes
- Writing and Language Test 44 Passage-Based Questions; 35 minutes
- Math Test 48 Questions; 70 minutes

The cost of test is \$16.00 payable by cash or check made out to CSP. Please have your child return payment and the registration form to Mr. Yagar. The registration deadline is Friday January 25, 2019

If you have questions regarding test, please contact Mr. Yagar at tyagar@mycsp.org.
