March 25th, 2020

Dear CSP Families,

The past two weeks have been unlike any we have experienced in recent years to say the least. I know that many of you have questions about how your student will learn during the next month, have questions about graduation, have questions about prom, have questions about transportation payments, and many other questions about "what's next". At this moment, I do not have any answers to many of your questions. I am, however, diligently seeking answers to your questions. I do know that by working together, we will get through this crisis.

I have received multiple emails asking why your student's teacher(s) has not contacted your student. At the direction of the Superintendent, Dr. Arlotto, teachers are not to provide any type of instruction or assign work to students from March 13th-March 27th. Students are to work on the "online learning" assignments that are located at AACPS.org. Please do not email teachers asking for work or when they plan to give assignments.

Today, we learned that the closure of schools has been extended through April 24th, 2020. Dr. Arlotto is sending an email to parents later this evening. The email will share information as to when parents can expect clarity as to how instruction and learning will take place. Once I have additional information, I will share it with you. As we plan for the next steps of digital learning, I ask that you email me if you do not have internet access at your home. Please email me at djefferson@mycsp.org.

Lastly, I am pushing back the due date for the last bus payment of the current school year to May 1st, 2020. We do not have access to the school, so we are unable to process refunds of any kind. We apologize for the hardship that this may cause, however, the well-being and safety of the staff is important.

I pray that you and your loved ones are safe and healthy and that you all remain safe and healthy. Please reach out to me if you have any questions or concerns that were not specifically addressed in this letter.

Sincerely,

Dwight L. Jefferson

Principal
