Established in 2005, **Chesapeake Science Point (CSP)** is a tuition-free, lottery based public charter school currently serving Anne Arundel County residents in **grades 6-12**. CSP's innovative approaches to world class education & cutting edge technology offers students increased opportunity to maximize potential.

Our Vision:

To provide multiple opportunities for youth to prepare for post secondary education in a variety of fields of study in order to pursue professional careers, we enable all students to achieve their maximum potential

by equipping and empowering them with analytical thinking and quantitative reasoning skills. With this vision in mind, we prepare students to become competent, responsible, and successful individuals in our globalized and technology-based society through a strong academic program, a school-family-community partnership, and a strong teacher-student relationship.
